### MEET THE CAMPAIGN CHAIRS

Monique Pohlman is a registered nurse from Denver, CO. She moved to Kearney when her husband, Garrett, joined Kearney Urology. Monique worked at Good Samaritan Hospital until she had her first child, and has recently started a traveling vaccination business to help keep employees up to date on important health-improving vaccines like the season flu shot. Monique is also a member of Buffalo County Community Partners' Board of Directors.

Garrett Pohlman is originally from Norfolk, NE, where he grew up on his family's cattle farm. Growing up, he was very active in 4H and National Junior Angus Association. Garrett earned his undergraduate degree at UNL, and went to medical school at UNMC. He did his residency at the University of Colorado Hospital (UCH), although he always planned to return to rural Nebraska to practice in a community similar to his hometown.

Garrett and Monique met during his first year of residency at UCH, where they both worked. They have two sons, Dean who is 3 years old and Calum who is 1 year old.

The Pohlman Family

**"Community Partners is such a great organization that really helps strengthen the health of Buffalo County. It has helped me assimilate to the new community I moved to. I'd love to see the community continue to be a healthy place for young families to grow in."** -Monique Pohlman, Campaign Co-Chair

## CELEBRATE YOUR COMMUNITY AT CAMPAIGN EVENTS

### Annual Block Party

Join us at our annual Block Party to celebrate summer with your community. This year, the block party will be held June 24th at Harmon Park. Bring your family for fun, games and a chance to welcome the Torch from the Cornhusker State Games into our community.

The Block Party is an excellent way to get out into the community with your family. Free will donations will be accepted, but the event and all the included activities are free of charge! Come out to enjoy the sunshine and fun times at the Block Party. Invitations coming soon!

### Give Where You Live

We join the community for the annual giving day, Give Where You Live. The event is sponsored by the Kearney Area Community Foundation, and usually takes place the first Thursday in December.

There are a variety of challenges and match opportunities when it comes to giving that day. We usually celebrate the event with a gathering for our Community Partners family. As the event gets closer, we'll share more details!
